

Diversity, Equity, and Inclusion in Biotech

Quita Beeler Highsmith, MBA
Genentech Vice President and
Chief Diversity Officer

**Nkiruka (Nana)
Emezienna, PharmD**
BLIMP Careers Founder

Diversify Biotech is a coalition of biotech student organization leaders from across the US working in solidarity to address discrimination in the biomedical sciences ecosystem.

Please join us as we kickoff our biotech DEI seminar series for a panel discussion on the current state of diversity in the biotech industry and concrete actions to create change.
